Understanding Delta Airlines Name Correction Policy

Delta Airlines classifies name corrections into two types: minor corrections and major name corrections. Understanding the distinction is an essential call before contacting Delta Airlines.

Minor Name Corrections

Minor corrections usually include:

- Correcting spelling errors in your first or last name
- Fixing missing hyphens or special characters
- Adjusting titles (Mr, Mrs, Ms)

These corrections do not generally require a new ticket but must be done before check-in to comply with TSA and airline security rules.

Major Name Corrections

Major changes include:

- Changing the first or last name entirely
- Reflecting legal name changes after marriage, divorce, or court orders

Major name corrections often require:

- Proof of the legal name change, such as a marriage certificate or court order
- Issuing a new ticket, which may include fare differences and additional fees
