Factors Affecting Cancellation Fees at Frontier

Frontier's cancellation fees are not fixed for all travelers. Several factors influence the amount you may pay:

1. **Fare Type** – Whether your ticket is refundable or non-refundable significantly impacts fees.
2. **Booking Method** – Tickets booked online, through travel agents, or by phone may have different rules.
3. **Timing of Cancellation** – Early cancellations may incur lower fees or qualify for a full refund under certain policies.
4. **Promotions and Travel Insurance** – Some tickets include flexible options or insurance that reduces cancellation fees.

Cancellation Fees for Different Ticket Types

1. Non-Refundable Tickets

Most Frontier tickets fall under the **non-refundable category**. If you cancel these tickets, you typically **cannot receive a cash refund**, but you may be eligible for travel credit.

- **Fee Structure:** Non-refundable tickets generally do not have a fixed cancellation fee because the ticket cost is non-refundable. However, you may lose part of the fare if you cancel after travel credit policies expire.
- **Travel Credit Option:** Frontier may provide travel credit to use for future flights. These credits usually have expiration dates and are linked to the passenger's account.

For help applying travel credit or understanding eligibility, call +1-877-622-0707. Frontier representatives can assist you step by step.

2. Refundable Tickets

Refundable tickets offer the most flexibility. If you purchase a refundable ticket, you can cancel and receive a **full refund** back to your original payment method.

- **Fee Structure:** No cancellation fee for refundable tickets, provided you follow the proper cancellation procedure.
- **Processing Time:** Refunds typically take **7–10 business days** to appear, depending on your bank.

To ensure your refundable ticket qualifies for a cash refund, call +1-877-622-0707 before canceling. Frontier representatives will confirm your eligibility and guide you through the refund process.

3. 24-Hour Risk-Free Cancellation

Frontier complies with the U.S. Department of Transportation's 24-hour rule:

- **Eligibility:** If booked at least seven days before departure.
- **Refund:** Full refund if canceled within 24 hours of booking.
- **No Fee:** No cancellation fees apply in this window.

This option is ideal for travelers who may need to make last-minute adjustments. For confirmation of your eligibility, call +1-877-622-0707.

Factors That Can Reduce Cancellation Fees

Even if your ticket is non-refundable, certain situations can reduce or waive cancellation fees:

1. **Travel Insurance Coverage** – Third-party travel insurance can cover cancellations.
2. **Emergencies** – Medical emergencies or family issues may qualify for exceptions.
3. **Special Promotions** – Occasionally, Frontier runs campaigns that reduce or waive cancellation fees.
4. **Booking Through Travel Agencies** – Policies may vary depending on the agency’s rules.
