NOTE: The companies on this list are listed alphabetically and will have the corresponding type of service they provide, either “design”, “installation”, “rainwater harvesting”, “Green Roof” or “Hardscape” marked in the respective columns. Some companies may provide more than one type of service. **Please keep in mind that these are professionals who require fees for their consulting or design services.** Assistance with completion of the application is considered a reimbursable expense if your application is approved.

If your contractor does not appear on this list, you may still utilize their services. As of this current round, you may now submit their associated expenses as part of your Rainscaping budget. The “Participating Contractor Requirement” is no longer in effect. **If you are a contractor that would like to bid on projects**, contact Rainscaping@mobot.org or (314) 577-0202 to be added to the list. We do recommend contractors familiarize themselves with the Orientation Videos and [Rainscaping Guide](#) and contact Rainscaping@mobot.org or (314) 577-0202 with any questions.

Metropolitan St. Louis Sewer District and Missouri Botanical Garden list Contractors but **DO NOT** certify the technical expertise of contractors participating in the program. If you have questions regarding the program guidelines or application process, please contact rainscaping@mobot.org or (314) 577-0202.
