Project Overview

- General Goal
 - Increase the size of the wastewater pipe and pump station in this area
- Benefits
 - Reduce basement backups
 - Reduce sewer overflows into local waterways

Tentative Construction Schedule

- Start: Fall 2021
- End: April 2023

Previous Public Engagement

- September 2020 – Virtual Public Meeting
- Municipal Outreach – Kirkwood and Sunset Hills

What can residents expect?

- Construction noise during normal business hours
- Construction equipment and materials along construction route
- Traffic Control Plan and access issues
 - Periodic single lane closures on Geyer
 - Minimal access restrictions to residential/commercial properties
- Notify contractor about sprinklers, dog fences, other underground assets

How will it look when construction is finished?

- Trenches backfilled soon after pipe is installed
- Roadway and sidewalk restoration
- Private property restoration per easement

FAQs

- Will this work disrupt sewer or other utility services?
- Will construction affect access to my property?
- Will trees be removed as part of this project?
