RE: Sub-Trunk #3 Sanitary Relief (Muriel Dr to Jenner Ln)  
Neighborhood Meeting

Dear Resident:

The Metropolitan St. Louis Sewer District has engaged the services of Wood Environment & Infrastructure Solutions to design improvements for the above referenced project. This project consists of constructing approximately 4,222 lineal feet of 8-inch to 27-inch diameter sanitary sewer. The general area covered by this project is an area located north of Interstate 270 and west of Bellefontaine Road, in unincorporated St. Louis County, Missouri.

A neighborhood meeting will be held Wednesday, October 9, 2019 from 4:00 to 6:00 pm at the Community of Spanish Lake, Twillman House, located at 11840 Bellefontaine Road in Spanish Lake, MO 63138. The meeting will be an Open house format, so please stop by anytime between 4:00 pm and 6:00 pm to learn more about the project.

Representatives from the Metropolitan St. Louis Sewer District and our consultant will be on hand to take your comments and answer questions that you may have regarding the proposed improvements.

We look forward to answering any questions that you may have.

Sincerely,

Jared Barr, P.E.  
MSD Project Manager  
Engineering Department/Program Management Division
