

Glenfield Sanitary Relief

Project #12264

March 16, 2023

Today's Roadmap

- Technology Overview and Ground Rules
- Overview of MSDPC
- Project Overview and Specifics
- Q&A

Notes on our Virtual Town Hall Platform

- Participants are in listen-and-view mode
- There are several ways to engage
 - Type your question using Q/A icon at the bottom of your screen at any time (even before the Q/A portion has begun)
 - Everyone can read all questions posed and you can “Upvote” questions you want answered

MSD Project Clear (MSDPC) Overview & Details

- Government Utility
 - State Constitution
 - Voter Approved Charter in 1954
 - 6 Member Board of Trustees (3 City & 3 County)
- Two utilities: Wastewater & Stormwater
- 520 square mile service area
 - All of St. Louis City
 - 87% of St. Louis County
- ~1,300,000 customers
- 88 municipalities served
- 7 Treatment Plants
- 350+ million gallons per day of wastewater treated
- 4,700+ miles of wastewater sewers
- 1,800+ miles of combined sewers
- 3,000+ miles of stormwater sewers
- 4th largest sewer system in the United States (as measured by miles of sewers handling wastewater)

Project Overview

- General Goal
 - Increase the size and capacity of the wastewater pipe in this area
- Project Scope
 - Approximately 2,600 ft of sewer
 - Pipe sized 8” to 15” in diameter
- Benefits
 - Reduce basement backups
 - Reduce sewer overflows

Tentative Construction Schedule

- **Start: May 2023**
- **Duration: 2 Years**

Previous Public Engagement

- June 2021– Neighborhood Public Meeting
- Municipal Outreach – Sunset Hills

What can residents expect?

- Trenches or “open-cut” excavation
- Construction noise during normal business hours
- Construction equipment and materials along construction route
- Traffic Control Plan and access issues
 - Lane closures will temporarily affect traffic
 - Temporary access restrictions to residential/commercial properties
- Notify contractor about sprinklers, dog fences, other underground assets

How will it look when construction is finished?

- Trenches backfilled soon after pipe is installed
- Roadway and sidewalk restoration
- Private property restoration per easement

FAQs

- Will this work disrupt sewer or other utility services?
- Will construction affect access to my property?
- Will trees be removed as part of this project?
