

March 2023

Dear Resident:

The Metropolitan St. Louis Sewer District (MSD) works to protect the public health and environment through effective wastewater and stormwater management. As part of MSD Project Clear, a long-term effort to reduce basement backups and sewer overflows, MSD is planning a construction project in your neighborhood:

Hawthorne Estates Sanitary Relief (Project #12299)

You're Invited to a Virtual Public Meeting

MSD Project Clear invites you to attend a virtual public meeting on April 6 at 6:00 p.m. to learn more about the project, meet the design team, and let us answer any questions you may have. We look forward to a good discussion, and we wanted to provide some tips for navigating this virtual meeting.

VIRTUAL PUBLIC MEETING

April 6, 2023

6pm - 7pm

Register at

MSDProjectClear.org/HawthorneMtg

Project Number 12299

First, you don't need to download anything, install an app, or even have an internet connection to participate. You can log in from a desktop, handheld device, or even your landline phone. The best way to participate in the meeting is through a desktop computer or tablet, as you'll be able to see our slides and presenters, type in questions during the meeting, and respond to poll questions in real time.

Registration is required to participate through a computer or tablet. To register, visit **msdprojectclear.org/HawthorneMtg**.

If dialing in by phone, call this number: 646 931 3860 and when prompted, enter the **webinar ID: 830 2715 9644** and **passcode: 554546**. Unfortunately, the Zoom platform does not have local St. Louis dial in numbers. Participants using the dial in option will not be able to submit questions during the meeting, however, we invite you to send questions to us via the contact us page on our website at **www.msdprojectclear.org/Hawthorne**.

We look forward to "seeing" you all on April 6 at 6:00 p.m.

A Clear Solution

MSD Project Clear planners and engineers have designed a new project called Hawthorne Estates Sanitary Relief (12299). This project will improve MSD's wastewater system and reduce basement backups.

Additional information on the project can be found by visiting **www.msdprojectclear.org/Hawthorne**. We appreciate your cooperation as we work together to improve water quality and reduce basement backups in your neighborhood.

Sincerely,

Sam Busch
