

November 2021

Dear Resident:

The Metropolitan St. Louis Sewer District (MSD) works to protect the public health and environment through effective wastewater and stormwater management. As part of MSD Project Clear, a long-term effort to reduce basement backups and sewer overflows, MSD is planning a construction project in your neighborhood: **Upper Baden Sanitary Relief Project (Jennings Station Rd. to Oakridge Blvd) (12241)**.

You're Invited to a Virtual Public Meeting

MSD Project Clear invites you to attend a virtual public meeting on November 18 at 6:00 p.m. to learn more about the Upper Baden Sanitary Relief project, meet the design team, and let us answer any questions you may have. We look forward to a good discussion, and we wanted to provide some tips for navigating this virtual meeting.

**VIRTUAL PUBLIC
MEETING**
November 18, 2021
6pm - 7pm
Register at
MSDProjectClear.org/BadenMtg
Project Number 12241

First, you don't need to download anything, install an app, or even have an internet connection to participate. You can log in from a desktop, handheld device, or even your landline phone. The best way to participate in the meeting is through a desktop computer or tablet, as you'll be able to see our slides and presenters, type in questions during the meeting, and respond to poll questions in real time.

Registration is required to participate through a computer or tablet. To register, visit **msdprojectclear.org/BadenMtg**.

If dialing in by phone, call this number: 877-853-5257 and when prompted, enter the **webinar ID: 853 9128 3183** and **passcode: 749442**. Unfortunately, the Zoom platform does not have local St. Louis dial in numbers. Participants using the dial in option will not be able to submit questions during the meeting, however, we invite you to send questions to us via the contact us page on our website at **www.msdprojectclear.org/UpperBaden**.

We look forward to "seeing" you all on November 18 at 6:00 p.m.

A Clear Solution

MSD Project Clear planners and engineers have designed a new project called Upper Baden Sanitary Relief Project (Jennings Station) (12241). This project will reduce basement backups by increasing the size of the sewer in your neighborhood.

Additional information on the project can be found by visiting **www.msdprojectclear.org/UpperBaden**. We appreciate your cooperation as we work together to improve water quality and reduce basement backups in your neighborhood.

Sincerely,

Kevin Koines
