BC-01 Phase III and BC-02 Phase II Sanitary Relief (12090) Virtual Town Hall

December 12, 2023

Today's Roadmap

- Technology Overview and Ground Rules
- Overview of MSDPC
- Project Overview and Specifics
- FAQs
- Q&A

Notes on our Virtual Town Hall Platform

- Participants are in listen-and-view mode
- There are several ways to engage
 - Type your question using Q/A icon at the bottom of your screen at any time (even before the Q/A portion has begun)
 - Everyone can read all questions posed and you can "Upvote" questions you want answered

MSD Project Clear (MSDPC) Overview & Details

- Government Utility
 - State Constitution
 - Voter Approved Charter in 1954
 - 6 Member Board of Trustees (3 City & 3 County)
- Two utilities: Wastewater & Stormwater
- 520 square mile service area
 - All of St. Louis City
 - 87% of St. Louis County
- ~1,300,000 customers
- 88 municipalities served

- 7 Treatment Plants
- 350+ million gallons per day of wastewater treated
- 4,700+ miles of wastewater sewers
- 1,800+ miles of combined sewers
- 3,000+ miles of stormwater sewers
- 4th largest sewer system in the United States (as measured by miles of sewers handling wastewater)

BC-01 Phase III and BC-02 Phase II Sanitary Relief (12090)

Project Overview

General Goal

- Increase the capacity of the wastewater sewer in this area
- Reduce basement backups
- Reduce wastewater overflows

Project Scope

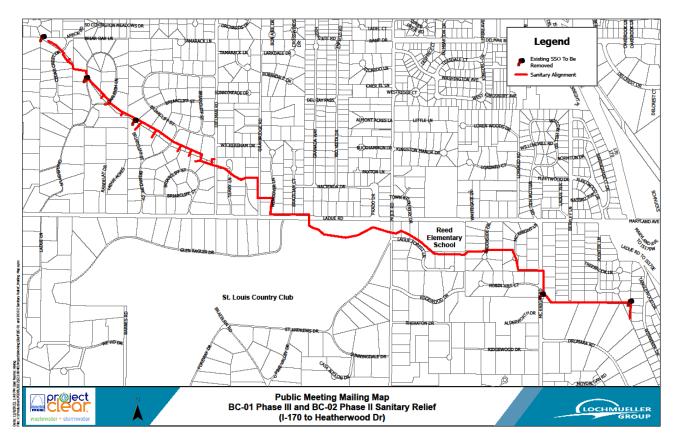

- Replace approximately 12,600 feet of wastewater pipe
- Increase pipe size to 8"-36"

Benefits

- Fewer basement backups
- Cleaner waterways
- Eliminate 4 sanitary sewer overflows (SSOs)

PROJECT MAP

- Design completion:
 - Fall 2023
- Easement acquisition completion:
 - Summer 2026
- Estimated construction start:
 - Fall 2026
- Estimated duration:
 - 36-40 months

What can residents expect?

project Clear wastewater

- Trenches or "open-cut" excavation
- Tunneling
- Construction noise during normal business hours
- Traffic Control Plan and access issues
 - Lane and road closures will temporarily affect traffic
 - Temporary access restrictions to residential properties
 - Contractor will notify property owners before access restrictions

How will it look when construction is finished?

- Trenches backfilled soon after pipe is installed
- Roadway and sidewalk restoration
- Private property restoration per easement

FAQs

- Will this work disrupt sewer or other utility services?
- Will trees be removed as part of this project?
- Will construction affect access to my driveway?
- Will emergency vehicles have access to my property during construction?

Questions?
