Project Overview

- General Goal
 - Increase the capacity of the wastewater sewer in this area
- Project Scope
 - Replace approximately 5,000 feet of wastewater pipe
 - Increase pipe size to 18-15”
- Benefits
 - Fewer basement backups

Smith Creek Ladue Road Sanitary Relief (Royal Manor Dr to Hewlett Ct) (12202)

What can residents expect?

- Trenches or “open-cut” excavation
- Construction noise during normal business hours
- Traffic control plan and access issues
 - Lane and road closures will temporarily affect traffic
 - Temporary access restrictions to residential properties
 - Contractor will notify property owners before access restrictions

How will it look when construction is finished?

- Trenches backfilled soon after pipe is installed
 - Roadway and sidewalk restoration
- Private property restoration per easement

Frequently Asked Questions

- Will this work disrupt sewer or other utility services?
- Will trees be removed as part of this project?
- Will construction affect access to my driveway?
- Will emergency vehicles have access to my property during construction?
