 Project Location

Tentative Construction Schedule

- **Start:** Summer/Fall 2025
- **End:** Summer 2026

Construction schedule is subject to change based on weather, utility conflicts, supply chain problems, and other unforeseen issues.

Previous Public Engagement

- August 2022 – Neighborhood Public Meeting

What can residents expect?

- Trenches or “open-cut” excavation
- Construction noise during normal business hours
- Traffic control plan and access issues
 - Lane and road closures will temporarily affect traffic (Castilon Ave)
 - Temporary access restrictions to residential properties
 - Contractor will notify property owners before access restrictions

How will it look when construction is finished?

- Trenches backfilled soon after pipe is installed
 - Roadway and sidewalk restoration
- Private property restoration per easement

Frequently Asked Questions

- Will this work disrupt sewer or other utility services?
- Will trees be removed as part of this project?
- Will construction affect access to my driveway?
- Will emergency vehicles have access to my property during construction?
